CHOWDI LAKE'S LOCATION

We took this lake for our survey

11/9/2014

Sagar, Karnataka - Google Maps

OUR LAKE

CHOWDI LAKE

- ▣ This lake is surrounded by one side forest .
- ▣ At the other side the famous aghoreshwara temple lies.
- ▣ At the back areca nut fields are there.
- ▣ It is approximately 2000 feet higher from the sea level.

USES OF THIS LAKE

- ❖ People are dependent on this lake for their daily livelihood.
- ❖ It has helped to build a traditional life for the villagers.
- ❖ The civilization has evolved almost near the water.

USES OF THIS LAKE

- ▣ The water of this lake is also used agriculture purposes.
- ▣ Ex;- areca nut.

AROUND OUR LAKE

THERE IS A ROAD WHICH
CONNECTS SAGAR TO IKKERI.

THERE ARE MANY PLANTS
AROUND THE LAKE.

OUR SURVEY

HE INTRODUCED MANY
PLANTS TO US

WE CONSULTED SHRI
GANAPATHI THE
LOCALITE OF IKKERI.

OUR SURVEY

- ❖ He gave many details and history of the lake and that village.
- ❖ We discussed about many plants and trees surrounded by the lake.

PLANTS AROUND THE LAKE

MADRASA

NAGASAMPIGE
SEED

PLANTS AROUND THE LAKE

ANKOLE PLANTS LEAF

FISHES IN THE LAKES

CONCLUSION

- 1) Now a days farmers are giving importance to the conservation of water .
- 2) Government should take care of the lake by regulating strict rules.
- 3) People also should follow the rules and should not make the lake dirty.

NATURAL RESOURCES LIKE
LAKES ARE BOONS TO THE
MANKIND . SO WE SHOULD
PRESERVE AND PROTECT
THEM AS OUR ASSET.

THANK YOU
