

## GSDP PARTICIPANT PROFILE

	<b>Name:</b> Setturu Bharath		
	<b>E Mail:</b> bharath.settur@gmail.com		
	<b>Mobile/Contact Numbers</b> 9483832144		
	<b>PAN:</b> CLSPS8748A		
<b>Date of Birth</b> 22/06/1986			
<b>Address:</b> #TE 15, CENTRE FOR ECOLOGICAL SCIENCE, INDIAN INSTITUTE OF SCIENCE, BANGALORE-560012, KARNATAKA	<b>Education Qualification</b> MCA (Ph.D.)		
	<b>Experience</b> 9 years		
	<b>Blood Group</b> AB+	<b>Allergy</b> NO	
<b>Profile (Knowledge and talent –strength)</b> Has been working in various aspects of ecology and biodiversity mapping and visualization studies from past 9 years. Trying to understand and model spatio temporal changes in Western Ghats. Conducted various courses on free and open source technologies, environmental management and delivered several lectures across India.			
<b>Learning (Career) from the Course – Valuation of Ecosystem Goods and Services (organised jointly by ENVIS Centres at IISc and EMPRI, Bangalore)</b>  It helped me to interact and share knowledge with the participants across India on progression of geospatial technologies. It provided a platform to showcase the wealth of data India is having and approaches need to utilize in various issue.			
<b>Upgraded Profile and your possible role in the future</b>  Workshop has benefitted me to gain knowledge in diverse fields. I will be very happy to take part as a resource person in future to carry forward these kind of initiatives across India.
