

List of trees species in Lalbagh (2004)

Sl. No.	Botanical Name	Native	Family
1	<i>Mangifera indica</i> Linn	India	Anacardiaceae
2	<i>Pleiogynium solandri</i> Engl	Australia	Anacardiaceae
3	<i>Annona cherimola</i> Mill	Central America, South America and West Indies	Annonaceae
4	<i>Annona reticulata</i> Linn	Neotropics	Annonaceae
5	<i>Polyalthia longifolia</i>	South India	Annonaceae
6	<i>Polyalthia pendula</i>	India	Annonaceae
7	<i>Alstonia macrophylla</i> Wall	Indonesia, Malaysia, Philippines, Sri Lanka, Thailand, Viet Nam	Apocynaceae
8	<i>Cerbera manghas</i> Linn	Java	Apocynaceae
9	<i>Cerbera odollam</i> Gaertn.	Southeast Asia, tropical Pacific Islands	Apocynaceae
10	<i>Plumeria alba</i> Aubl	Malaya	Apocynaceae
11	<i>Ilex paraguariensis</i> St. Hill	Argentina, Columbia, Paraguay, Uruguay, Brazil	Aquifoliaceae
12	<i>Brassaia actinophylla</i> F.J. Muell	Australia, New Guinea and Java	Araliaceae
13	<i>Agathis robusta</i> Bailey.	Australia	Araucariaceae
14	<i>Araucaria bidwillii</i> Hook	Australia	Araucariaceae
15	<i>Araucaria cookii</i> Hook	New Caledonia	Araucariaceae
16	<i>Araucaria cunninghamii</i>	Australia, Indonesia	Araucariaceae

17	<i>Araucaria excelsa</i> Hort	Australia	Araucariaceae
18	<i>Attalea cohune</i> Mart	Handurus	Arecaceae
19	<i>Caryota urens</i> L	Sri Lanka, India	Arecaceae
20	<i>Cocos nucifera</i> Linn	Indo-Pacific	Arecaceae
21	<i>Cocos schizophylla</i> Mart	Brazil	Arecaceae
22	<i>Kentia macarthurii</i>	New Guinea, and Australia.	Arecaceae
23	<i>Elaeis guineensis</i> Jacq	Tropical west African	Arecaceae
24	<i>Kentia wendlandiana</i>	Northern Territory, Queensland	Arecaceae
25	<i>Phoenix sylvestris</i> Roxb	India	Arecaceae
26	<i>Roystonea regia</i> O.F. Cook	Cuba, Panama	Arecaceae
27	<i>Bignonia crispa</i> Buch Han		Bignoniaceae
28	<i>Bignonia megapotamica</i>	Tropical America	Bignoniaceae
29	<i>Crescentia cujete</i> Linn	Tropical America	Bignoniaceae
30	<i>Jacaranda mimosifolia</i>	Argentina, Bolivia	Bignoniaceae
31	<i>Kigelia pinnata</i> Jacq	Tropical Africa	Bignoniaceae
32	<i>Millingtonia hortensis</i> L	Myanmar	Bignoniaceae
33	<i>Parmentiera cereifera</i>	Panama	Bignoniaceae
34	<i>Spathodea campanulata</i>	Tropical Africa	Bignoniaceae
35	<i>Stereospermum chelonoides</i>	Myanmar	Bignoniaceae
36	<i>Stereospermum suaveolens</i>	India, Burma	Bignoniaceae
37	<i>Stereospermum xylocarpum</i>	India	Bignoniaceae
38	<i>Stereospermum colais</i>	India, Burma	Bignoniaceae
39	<i>Tabebuia avellanadae</i>	Argentina	Bignoniaceae
40	<i>Tabebuia rosea</i>	Tropical South America	Bignoniaceae
41	<i>Tabebuia spectabilis</i>	India, Venezuela	Bignoniaceae
42	<i>Tabebuia triphylla</i>	Caribbean; North America	Bignoniaceae
43	<i>Adansonia digitata</i>	Tropical Africa	Bombacaceae
44	<i>Bombax malabaricum</i>	India	Bombacaceae
45	<i>Bombax ellipticum</i>	Mexico	Bombacaceae
46	<i>Bombax scopulorum</i>	China, India	Bombacaceae
47	<i>Ceiba pentandra</i>	South & Central America	Bombacaceae
48	<i>Pachina insigne</i>	India	Bombacaceae
49	<i>Cordia myxa</i> L	India, Tropical America	Boraginaceae
50	<i>Canarium commune</i>	Indonesia, Papua New Guinea, New Britain, New Ireland	Burseraceae
51	<i>Garuga pinnata</i>	India, Malaya	Burseraceae
52	<i>Amherstia nobilis</i> Wall	Burma	Fabaceae
53	<i>Bauhinia hookeri</i> Mull	Australia	Fabaceae
54	<i>Bauhinia krugii</i> Linn	India, Burma	Fabaceae
55	<i>Bauhinia purpurea</i> Linn	India, Burma, Vietnam	Fabaceae

56	<i>Bauhinia variegata</i> Linn	Indian, China	Fabaceae
57	<i>Caesalpinia coriaria</i>	Caribbean, Mexico, Central America, northern South America.	Fabaceae
58	<i>Cassia bacillaris</i> Gaertn	India Malaya	Fabaceae
59	<i>Cassia javanica</i> Linn	Southeast Asia	Fabaceae
60	<i>Cassia renigera</i> Wall	Burma	Fabaceae
61	<i>Cassia siamea</i> Lam	Malaya, Asia	Fabaceae
62	<i>Colvillea racemosa</i>	Madagascar	Fabaceae
63	<i>Hardwickia binata</i>	India	Fabaceae
64	<i>Hymenaea courbaril</i>	Central and South America	Fabaceae
65	<i>Peltophorum ferrugineum</i>	Australia	Fabaceae
66	<i>Poinciana regia</i> Boj	Madagascar	Fabaceae
67	<i>Saraca cauliflora</i> Baker	India, Malaya	Fabaceae
68	<i>Saraca thaipingensis</i>	Malaya	Fabaceae
69	<i>Tamarindus indica</i> Linn	Tropical Africa	Fabaceae
70	<i>Garcinia cambogia</i> Roxb	India	Clusiaceae
71	<i>Garcinia indica</i> Choisy	India	Clusiaceae
72	<i>Garcinia livingstonei</i>	Tropical Africa	Clusiaceae
73	<i>Mammea americana</i> Linn	West Indies	Clusiaceae
74	<i>Ochrocarpus longifolius</i>	India	Clusiaceae
75	<i>Cochlospermum gossypium</i>	India, Burma, Thailand	Cochlospermaceae
76	<i>Alangium lamarckii</i>	India	Cornaceae
77	<i>Cupressus benthamii</i>	Mexico	Cupressaceae
78	<i>Cupressus funebris</i>	China	Cupressaceae
79	<i>Thuja orientalis</i> Linn	China, Japan	Cupressaceae
80	<i>Dillenia indica</i> Linn	Southeast Asia, Southwest China	Dilleniaceae
81	<i>Shorea talura</i> Roxb	India, Burma	Dipterocarpaceae
82	<i>Diospyros discolor</i> Willd	African Tropics	Ebenaceae
83	<i>Diospyros embryopteris</i>	Sri Lanka, Western Ghats	Ebenaceae
84	<i>Diospyros macrophylla</i>	Indomalaysia	Ebenaceae
85	<i>Diospyros mespiliformis</i>		Ebenaceae
86	<i>Aleurites fordii</i> Hemsl	Central Asia	Euphorbiaceae
87	<i>Aleurites trispernma</i>	Blanco Philippines	Euphorbiaceae
88	<i>Anda gomesii</i> A. Juss	South Brazil	Euphorbiaceae
89	<i>Hura crepitans</i> Linn	Tropical America	Euphorbiaceae
90	<i>Mallotus philippensis</i>	Australia, Tropical and Subtropical Asia	Euphorbiaceae
91	<i>Mischodon zeylanicus</i>	Sri Lanka, S. India, Andaman	Picrodendraceae
92	<i>Phyllanthus emblica</i>	Tropical, Subtropical Asia	Phyllanthaceae
93	<i>Putranjiva roxburghii</i>	Tropical Asia	Putranjivaceae

94	<i>Sapium insigne</i> Frimen	India	Euphorbiaceae
95	<i>Trewia nudiflora</i> Linn	India to Philippines	Euphorbiaceae
96	<i>Erythrina umbrosa</i>	Neotropics, India	Fabaceae
97	<i>Erythrina suberosa</i>	India, SE Asia	Fabaceae
98	<i>Aberia caffra</i> Harv. R. Sonal	Africa, Australia	Flacourtiaceae
99	<i>Flacourtia cataphracta</i>		Flacourtiaceae
100	<i>Asparagus plumosus</i>		Liliaceae
101	<i>Lafoensia microphylla</i>	Brazil	Lythraceae
102	<i>Lagerstroemia flos-reginae</i>		Lythraceae
103	<i>Lagerstroemia thorelli</i>		Lythraceae
104	<i>Lagerstroemia tomentosa</i>	Burma	Lythraceae
105	<i>Michelia champaca</i>	India, Malaysia	Magnoliaceae
106	<i>Magnolia grandiflora</i>	Tropical America	Magnoliaceae
107	<i>Hiptage madablota</i>	America	Malpighiaceae
108	<i>Thespesia populnea</i>	India, Africa, Pacific Isles	Malvaceae
109	<i>Amoora rohituka</i>	Asian Tropics	Meliaceae
110	<i>Cedrela odorata</i> Linn	Asutralia White Cedar	Meliaceae
111	<i>Cedrela toona</i>	Malaya, Australia	Meliaceae
112	<i>Melia umbraculifera</i>	India	Meliaceae
113	<i>Swietenia mahagoni</i> Linn	Caribbean Territories	Meliaceae
114	<i>Swietenia macrophylla</i>	Tropical America, Mexico, Brazil	Meliaceae
115	<i>Acacia ferruginea</i> DC	Sri Lanka	Fabaceae
116	<i>Adenanthera pavonina</i>	Australia	Fabaceae
117	<i>Albizia lebeck</i> Benth	Asia	Fabaceae
118	<i>Albizia richardiana</i>	Madagascar	Fabaceae
119	<i>Calliandra brevipes</i>	Brazil	Fabaceae
120	<i>Pithecellobium saman</i>	Bolivia, Brazil, Ecuador, Paraguay and Peru	Fabaceae
121	<i>Prosopis pubescens</i>	California, Mexico	Fabaceae
122	<i>Artocarpus integrifolia</i> L	India, Malya	Moraceae
123	<i>Ficus benjamina</i> L	India, Malaya	Moraceae
124	<i>Ficus benghalensis</i>	India	Moraceae
125	<i>Ficus cunninghamii</i>	India Burma	Moraceae
126	<i>Ficus elastica</i> Roxb	India	Moraceae
127	<i>Ficus glomerata</i>	India	Moraceae
128	<i>Ficus krishnae</i>		Moraceae
129	<i>Ficus religiosa</i> L	India, Burma	Moraceae
130	<i>Streblus asper</i>	Sri Lanka, India	Moraceae
131	<i>Barringtonia acutangula</i>	Southeast Asia, N. Australia	Myrtaceae

132	<i>Callistemon pinifolius</i>	New South Wales	Myrtaceae
133	<i>Eucalyptus tereticornis</i>	Australia	Myrtaceae
134	<i>Eugenia fragrans</i>	S. Florida to Trop. America	Myrtaceae
135	<i>Eugenia excelsa</i>	Australia	Myrtaceae
136	<i>Eugenia jambolana</i>	South & Southeast Asia	Myrtaceae
137	<i>Melaleuca leucadendron</i>	Australia	Myrtaceae
138	<i>Averrhoa carambola</i>	Sri Lanka	Oxalidaceae
139	<i>Andira fraxinifolia</i>	Brazil	Fabaceae
140	<i>Andira inermis</i>	Asian tropics	Fabaceae
141	<i>Butea frondosa</i>	Indomalesia	Fabaceae
142	<i>Dalbergia lanceolaria</i>	India	Fabaceae
143	<i>Dalbergia sissoo</i>	India	Fabaceae
144	<i>Gliricidia maculata</i>		Fabaceae
145	<i>Milletia ovalifolia</i>	Burma	Fabaceae
146	<i>Pterocarpus acerifolium</i>	Indian Origin, Java	Fabaceae
147	<i>Pterocarpus echinatus</i>	African Tropic	Fabaceae
148	<i>Pterocarpus indicus</i>	India, Burma	Fabaceae
149	<i>Pterocarpus marsupium</i>	India	Fabaceae
150	<i>Tipuana tipu</i> Benth	S. America	Fabaceae
151	<i>Juniperus procera</i>	African Tropic	Cupressaceae
152	<i>Bursaria spinosa</i>	Asian Tropic	Pittosporaceae
153	<i>Podocarpus taxifolia</i>	Australia	Podocarpaceae
154	<i>Coffea arabica</i> Linn	Ethiopia	Rubiaceae
155	<i>Gardenia jasminoides</i>	China, India to Japan	Rubiaceae
156	<i>Gardenia latifolia</i>	India	Rubiaceae
157	<i>Nauclea parvifolia</i>	Indian Subcontinent to Myanmar	Rubiaceae
158	<i>Stephegene diversifolia</i>	Bruma	Rubiaceae
159	<i>Filicium decipiens</i> Thw.	India	Sapindaceae
160	<i>Nephelium lappaceum</i>	Indonesia, Malaysia, Singapore, Thailand, Vietnam	Sapindaceae
161	<i>Nephelium litchi</i>	China	Sapindaceae
162	<i>Nephelium longan</i>	China	Sapindaceae
163	<i>Sapindus trifoliatus</i>	India	Sapindaceae
164	<i>Sapindus emarginatus</i>	India, Sri Lanka	Sapindaceae
165	<i>Achras sapota</i>	Central America, Mexico	Sapotaceae
166	<i>Bassia latifolia</i>	India	Sapotaceae
167	<i>Chrysophyllum cainito</i>	Belize, Caribbean	Sapotaceae
168	<i>Mimusops elengi</i>	India	Sapotaceae
169	<i>Cola acuminata</i>		Sterculiaceae
170	<i>Guazuma tomentosa</i>	Tropical America	Sterculiaceae

171	<i>Heritiera macrophylla</i>	India (Arunachal Pradesh, Assam, Meghalaya), Indochina, Myanmar (Burma), Thailand, Vietnam	Sterculiaceae
172	<i>Pterospermum acerifolium</i>	India,	Sterculiaceae
173	<i>Sterculia foetida</i>	India, Burma	Sterculiaceae
174	<i>Berria quinquelocularis</i>	Zelon	Tiliaceae
175	<i>Cithaexylum substratum</i>	Asian tropic	Verbenaceae
176	<i>Tectona grandis</i>	Southeast Asia	Verbenaceae
177	<i>Vitex peduncularis</i>	Burma	Verbenaceae
178	<i>Guaiacum officinale</i>	West Indies	Zygophyllaceae
