Nashik: The joint committee of officials from the revenue, forest, pollution control board and mining department has taken strong exception to alleged night-time blasting at mining sites, saying that such activities could be a possible trigger for the increased man-animal conflict.

The committee visited Brahmagiri in the Trimbakeshwar taluka and Sarul in the Nashik taluka after a series of complaints by local villagers about illegal mining and other activities in the forest areas.

The joint report prepared by the team of officials — including Nashik West deputy conservator of forests Pankaj Garg, sub-divisional officer of Igtpuri-Trimbakeshwar Tejas Chavan, deputy regional officer of pollution control board Amar Durgule and district mining officer Rohini Chavan — said that during the team's visit, the local residents had complained about blasting at the mining sites being carried out at night.

The committee observed that the boards, cautioning about the use of explosives in the mining areas, had been found.

The villagers alleged that the explosives were being used at night, which is prohibited.

The administration has limited the use of explosives to certain specific times of the day. If the villagers are saying that explosives are being used at night, then such activities could be forcing the animals to flee the areas. The nocturnal animals could, therefore, be turning to human settlements in search of prey, the committee noted.

“Animals like leopards and hyenas that fail to get food in the forests, then turn towards the human settlements for prey. This further leads to the man-animal conflict and, therefore, measures need to be taken to ensure that explosives are not used at night,” the committee said.

District collector Suraj Mandhare, who is the chairman of the committee, said: “I have asked the committee to ensure environment conservation and at the same time, allow development. We need to strike a balance. The committee has been asked to divide the areas into three categories,

...some unidentified thieves attempted to break the ATM between 2.15 am to 3.45 am on Tuesday.

NASHIK: Thieves made a failed attempt to steal cash from an ATM in Sinnar taluka in the early hours of Tuesday, much like the theft at another ATM kiosk last week.

Police said some unidentified thieves attempted to break the ATM between 2.15 am to 3.45 am on Tuesday. As per the complaint registered with the MIDC Sinnar police station, the thieves smashed the screen of the ATM in the attempt to steal the cash.

The burglary attempt came to light only at around 9 am, when the owner of a shop next to the ATM kiosk noticed that the ATM was damaged. Soon after, the police and bank officials rushed to the spot and found the damaged screen. However, the cash box was safe.

On the complaint of an official from the company responsible for the upkeep of the ATM, its security and loading cash, a complaint of theft has been registered against unidentified burglars.

When the police and bank officials checked the CCTV footage of the adjoining shop, they found movement of unidentified burglars around the kiosk between 2.15 am to 3.45 am.

Recently, on the night of October 14 and 15, an unidentified burglar stole Rs 22.71 lakh from an ATM in Sinnar taluka. The thief used a gas cutter to break open the ATM.

It was an exciting time for Rahul. He had joined his first full-time job and was looking ahead to being a thriving professional. But a myriad of financial decisions that he had to make within just a few days was overwhelming. "Should he take his salary by cheque or direct deposit?" "Should he buy a

health policy separate from the group insurance cover offered at his workplace?" "Which kind of a credit card should he be applying for - the one with cashback benefits or travel miles?" Rahul was also considering long-term financial goals like purchasing a house, higher education, and his dream car. But first things first: How was he going to pay for his celebratory lunch? Airtel Payments Bank sounded like a good idea to him. But why?

Becoming a professional meant adjusting to a new phase of life. Rahul wanted to make the best monetary decisions, and that's why he turned to digital banking completely, marking his attendance in the 61% of millennials willing to switch banks for a digital-only experience. Being a lover of technology and someone who invests in experiences, the decision came naturally. When his friends and colleagues inquired why he was all-in on digital banking, he gave them some of his most crucial reasons to bank digitally.

1. Convenience

Rahul put the power to bank wherever and however you want to be as one of the main benefits of digital banking. He told his friends that with his smartphone readily available, he could

perform any number of banking tasks quickly 24x7. Digital banking with [Airtel Payments Bank](#) also presents longer-tail comforts, such as the ability to go cashless.

UP NEXT

2. Features

Committee: Night blasting at mine sites may be amplifying man-animal conflict

Airtel Payments Bank's mobile and online experiences are rich with features, persuaded Rahul. Airtel has built India's First True Digital Bank for every Indian. He told his colleagues that with Airtel Payments Bank, they can:

- Open a Savings Bank account with just a video call from the comfort of your home.
- Earn up to 6.0% rate of interest which is usually higher than any FD or RD
- Invest in [DigiGold](#) (<https://i.airtel.in/digigoldadv2>).
- Make any transfer and earn on every transaction with [Rewards123](#) (<https://i.airtel.in/r123plus>).
- Make digital payments at thousands of online and offline merchants through:
 - a) QR Code Scanning
 - b) Payment to a phone number
 - c) BHIM UPI
 - d) Net Banking

Rahul also uses it to transfer money, manage his salary, pay off his monthly bills and more.

3. Security

Digital banks, such as Airtel Payments Bank, make it effortless to take extra security precautions. [Airtel Safe Pay](#) works with multi-factor authentication so that no money leaves your

account without your approval. It uses Airtel Network Intelligence to send Safe Pay alerts to your mobile number, which you are not charged for. An additional 3rd-factor authentication, which no other bank or wallet provides, comes into

action when you use Airtel Payments Bank to make online monetary transactions safe.

UP NEXT

Committee: Night blasting at mine sites may be amplifying man-animal conflict

Bottom Line

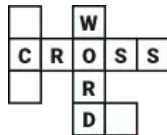

Digital banking can help you take command of your financial life, offering tools and features not provided by traditional banking methods. But Airtel Payments Bank goes beyond banking, delivering opportunities specific to your financial wants and needs. Just like it did for Rahul.

Municipal commissioner Bhalchandra Gosavi said, "We conducted meetings with the local community leaders and elected representatives and sought their help in the vaccination programme. They have supported it very well."

NASHIK: The Malegaon municipal corporation has taken help of local community leaders and elected representatives to boost vaccination among the citizens.

Municipal commissioner Bhalchandra Gosavi said, "We conducted meetings with the local community leaders and elected representatives and sought their help in the vaccination programme. They have supported it very well."

"We even administered the vaccine to some people in the public as a result of which citizens are now looking forward for getting vaccinated. The numbers of the doses are thus on the rise," he said.

The local corporators are also battling for the vaccination programme. "Since Saudi Arabia government has permitted for the conduct of Hajj and Umrah for fully-vaccinated people only, those wishing to go on pilgrimage will definitely get vaccinated. Seeing them, others will also follow," said Mustaqeem Dignity, one of the corporators.

He added that vaccination was picking up in the eastern parts of Malegaon after the leaders made appeals. Malegaon East has 1.63 lakh people eligible for vaccination and so far, only 40,000 have been vaccinated.

"Majority of the daily doses in the past were from Malegaon West region. Now, the footfall at vaccine centres in Malegaon East is growing," Dr Sapna Thakre, medical officer of corporation, said.
