Maharashtra Chief Minister Uddhav Thackeray (File Photo)

Chief Minister Uddhav Thackeray on Monday directed state forest department officials to submit a proposal to rehabilitate two villages near the buffer range of Tadoba Andhari Tiger Reserve (TATR).

“Assuming that the number of tigers in the state will increase further, we need to pave the way for it from now on. Then only can we avoid this conflict in the future.”

The state government formed a study group in October last year to take an in-depth look at the man-tiger conflict in Chandrapur district.

The group is headed by Chandrapur Chief Conservator of Forest N R Praveen and will comprise as members Tadoba-Andhari Tiger Reserve (TATR) Field Director Jitendra Ramgaonkar, Gondia Deputy Conservator of Forest (DCF) Kulraj Singh, Wildlife Institute of India scientist Bilal Habib, retired Divisional Forest Officers Sanjay Thavre and Girish Vasisth, man-leopard conflict expert Vidya Athreya, Wildlife Conservation Trust president Anish Andheria, wildlife expert Sanjay Karkare, State Wildlife Board member Bandu Dhotre and tribal activist Paromita Goswami.
