2. Adoption of the agenda and other organizational matters

In accordance with rule 7 of the rules of procedure, the Working Group shall, at the beginning of the session, after the election of its officers, adopt the agenda for that session on the basis of the provisional agenda. 3. Consumption and production patterns

In its resolution 1997/63, the Economic and Social Council decided that during the period 1998–2002 the Commission on Sustainable Development should continue the practice of establishing, subject to approval by the Council, up to two inter-sessional ad hoc working groups in a given year with a view to assisting the Commission in the preparations for its forthcoming year.

Accordingly, in its decision 6/6, the Commission decided that one working group would be devoted to oceans and seas, and a comprehensive review of the Programme of Action for the Sustainable Development of Small Island Developing States, and that the other working group would be devoted to consumption and production patterns, including recommendations for sustainable consumption for inclusion in the United Nations guidelines for consumer protection, as requested by the Economic and Social Council in its resolution 1997/53, and tourism.

At its meeting on 16 December 1998, the Bureau of the Commission decided that the Inter-sessional Ad Hoc Working Group on Consumption and Production Patterns and on Tourism would meet from 22 to 26 February 1999.
