

Mock drill at Bharat Petroleum plant

Staff Reporter

BANGALORE: On Monday morning and a thick cloud of vapour enveloped parts of Bharat Petroleum-Bangalore's LPG plant even as the operator struggled to plug

the leak from a tanker carrying LPG. Within 10 minutes after the leakage was noticed, the fire services personnel rushed to the spot and averted a major fire tragedy.

Exhibiting its capabilities in times of emergency, fire-

fighters displayed agility and presence of mind in averting a major tragedy, during the mock fire drill conducted at the plant in Solur, near here. The mock drill had been organised as part of the chemical disaster prevention week.
