Objectives

- Identification of Ecologically Sensitive Villages in the Western Ghats
- Reasons for choosing Western Ghats: one among 35 Global Biodiversity Hotspots. Western Ghats ensures water and food security in the peninsular India. Western Ghats is aptly branded as 'Water Tower of Peninsular India
- This involves
 - Land use land cover dynamics in Western Ghats using temporal remote sensing data
 - Compilation of information (population, geo-climatic, demographic, land, etc.) as per the template sent herewith
 - Overlaying of all information (district wise)
 - Prioritising villages in the Western Ghats based on the levels of ecologically sensitiveness

Method

- Collaborative approach – information compilation (district) by EM 2018 participants and submission to the respective State Coordinator (DUE DATE: 5OCT 2018)
- Validation by the respective State Co-ordinators and Statewise compilation and submission to Overall Coordinators (DUE DATE: 15 Oct 2018)
- Overall Co-ordinators to verify all information, sent by the state co-ordinators (Due Date: 3 Nov 2018) and pass onto IISc team
- IISc team to carryout LULC dynamics analyses and identification of ecologically sensitive villages in the Western Ghats and review the outcome with Gadgil Committee report and HLWG report (Kasturirangan) apart from the Ministry of Environment, Forests and Climate change guidelines

District Coordinator

- District Level (5 October 2018)
- Information (demographic, geo-climatic, etc.) compilation (as per the template) by participants

State coordinators

- State Level (15 Oct 2018)
- Consolidation of information (compiled at district levels) and verification

Western Ghats overall coordinators

- Western Ghats
- Validation and submission by 3 Nov 2018

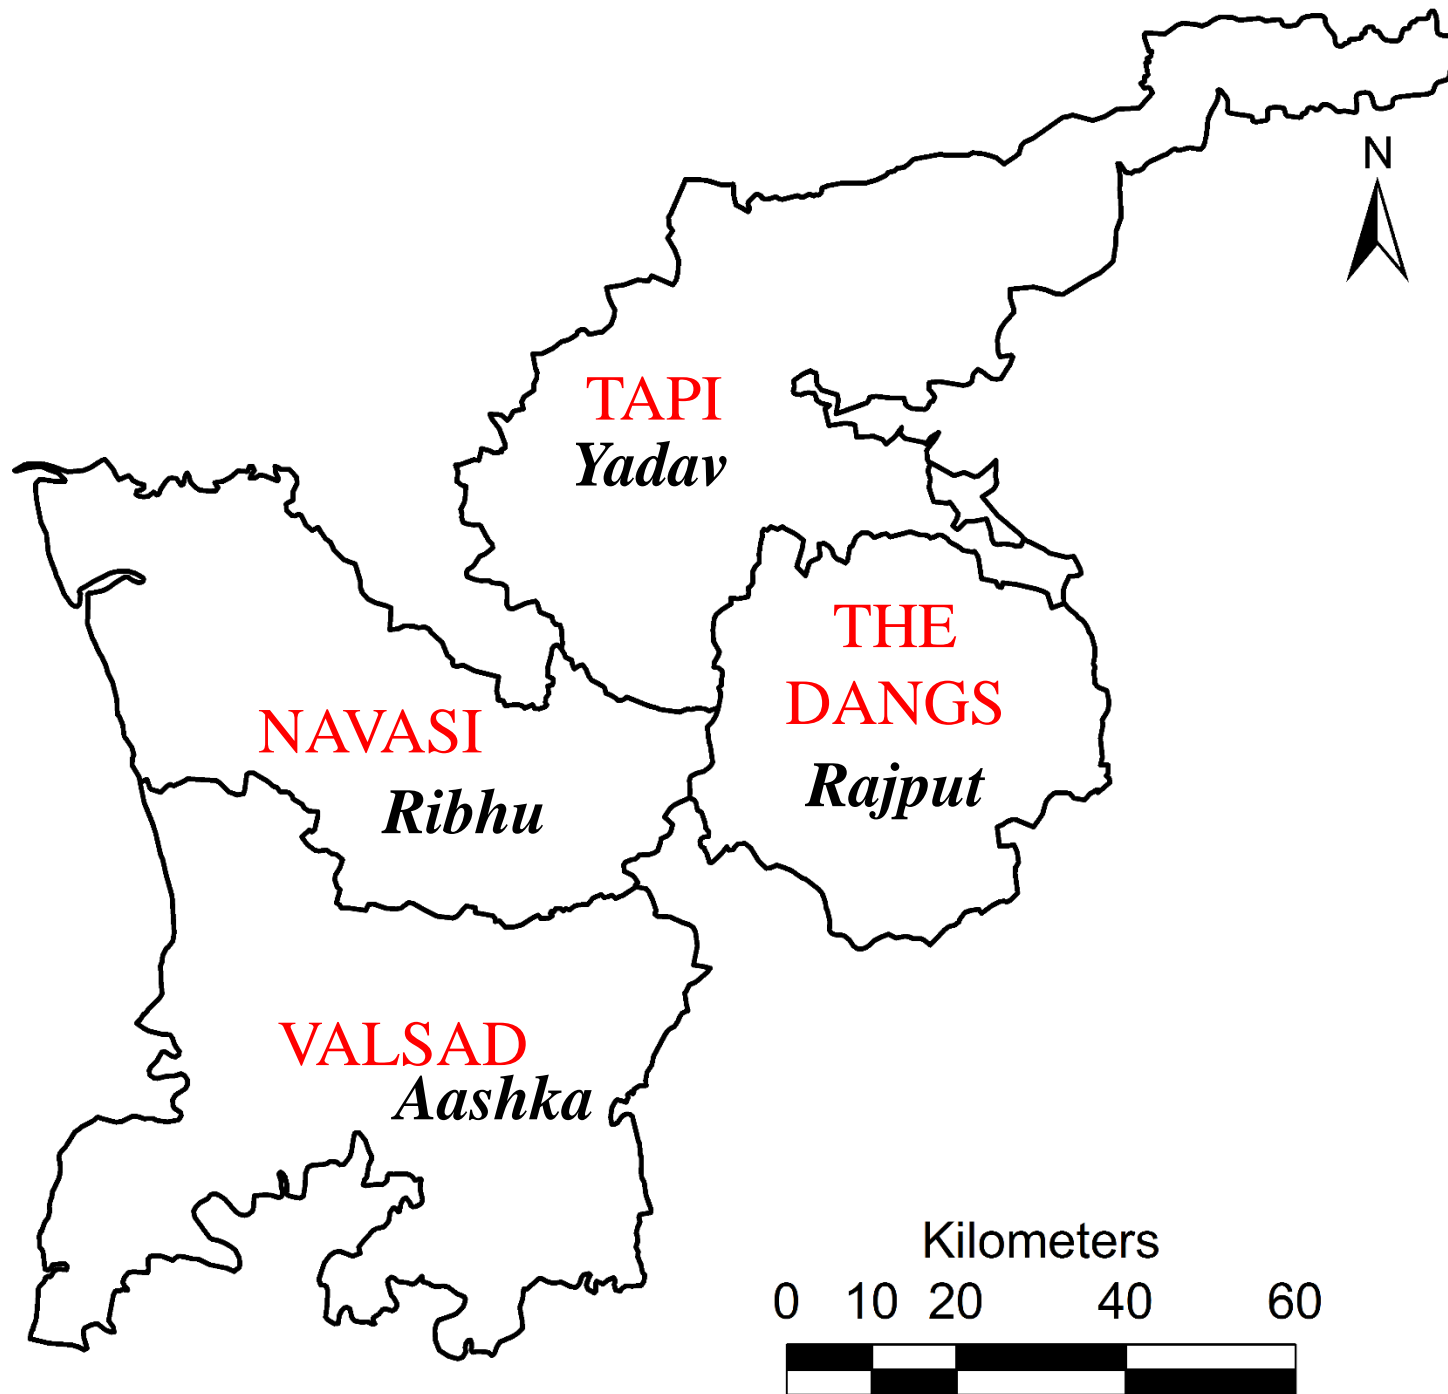

EM 2018 Course Participants are required to

- Compile information for the respective district (listed state wise district per participant) as per the template sent herewith
- Review of Scientific literatures to understand the status of ecology, biodiversity in the respective district
- The respective district information (as per the template) to be submitted to the respective State Coordinators on or before 5 Oct 2018 .
- State coordinators to verify each district information (submitted by participants) and mail to TVR (emram.ces@courses.iisc.ac.in) on or before 15 Oct 2018 with copies to overall co-ordinators. Details next..

Western Ghats: Overall– Coordinators: Sara Kunnatt, Anirudh K

- Responsibilities (overall Coordinators)
- Verify the information compiled by the respective State Co-ordinators (with each district coordinator/participants)
- LULC (land use land cover) dynamics analyses using temporal remote sensing data. Candidates who have acquired knowledge of GIS and RS are most welcome to help the State coordinators
- Madumita, Anirudh, Sai Omkari with Dr. Vinay, and Dr. Bharath Settur will carryout analyses to identify Ecologically Sensitive villages in each district .
- Consolidated report of Ecologically Sensitive Villages for the entire Western Ghats will be released at Lake 2018 (22-25 November 2018) and handed over to the respective State Governments as well as The Ministry of Forests, Environment and Climate Change (MoEFCC) .
