DR. T. V. RAMACHANDRA

CES/TVR/UK-YSE2011/8600/2011

1st June, 2011

Dear Sir/Madam,

Sub: Young Sahyadri Ecologist-2011 (for high school and college students)
Ref: Our earlier letters i) CES/TVR/UK-YSE2011/8481/2011, dated **2nd Feb 2011**
ii) CES/TVR/UK-YSE2011/8505/2011, dated **6th March 2011**

This is in continuation to our earlier letters cited above with regard to “**Young Ecologist-2011**” competition for high school, junior college and degree college students of Uttara Kannada, district. You may please note that we had mailed earlier an (i) Entry form and (ii) **My village biodiversity documentation booklet** in English and Kannada. This competition is for all students of Uttara Kannada. Our objective is to collect the information for all villages in the district. Each student (or group of two) can take up the assignment of documenting their village biodiversity.

We are yet to hear from you regarding your students participating in the **Young ecologist competition**. In response to the requests from some institutions, we have now revised the dates of submission as follows:

Sl No	Date	Activities
1	4 th July 2011	Submission of the entry form with the letter indicating name of the students and villages chosen
2	31 st Aug 2011	Submission of the reports on My Village Biodiversity as per the template sent along with the March 2011 letter
3	September 2011	Taluk level competition to select the students at taluk level for Oct 2011 district level conference
4	October 2011	Final presentation of the selected students and announcement of awards class wise.

Please arrange to send the **entry forms and study reports** to

Dr M D Subash Chandran, Phone: 08386 223426
Centre for Ecological Sciences Field Station
Indian Institute of Science, No 679/II
Viveknagar, Kumta-581343

For more information, you may contact:

Dr Prakash Mesta, Mobile: 9342470560 or 08386 223426
E-mail: prakashhonavar@gmail.com, prakash_honavar@ces.iisc.ernet.in

We look forward to your positive response and support in our endeavour to document Uttara
Kannada biodiversity at local level.

With best regards,

Yours sincerely,

(Dr. T.V. Ramachandra)
