

SOLID WASTE who's  
problem?

**WASTE IS NOT WASTE,  
IT IS WEALTH IF MANAGED  
SCIENTIFICALLY,  
AND INTURN SAVES THE ENVIRONMENT.**

# SURVEY

**Survey in the Vinayaka Layout shows that an average of 250g waste is produced in a house of 4 people per day, out of this 80% is wet waste.**

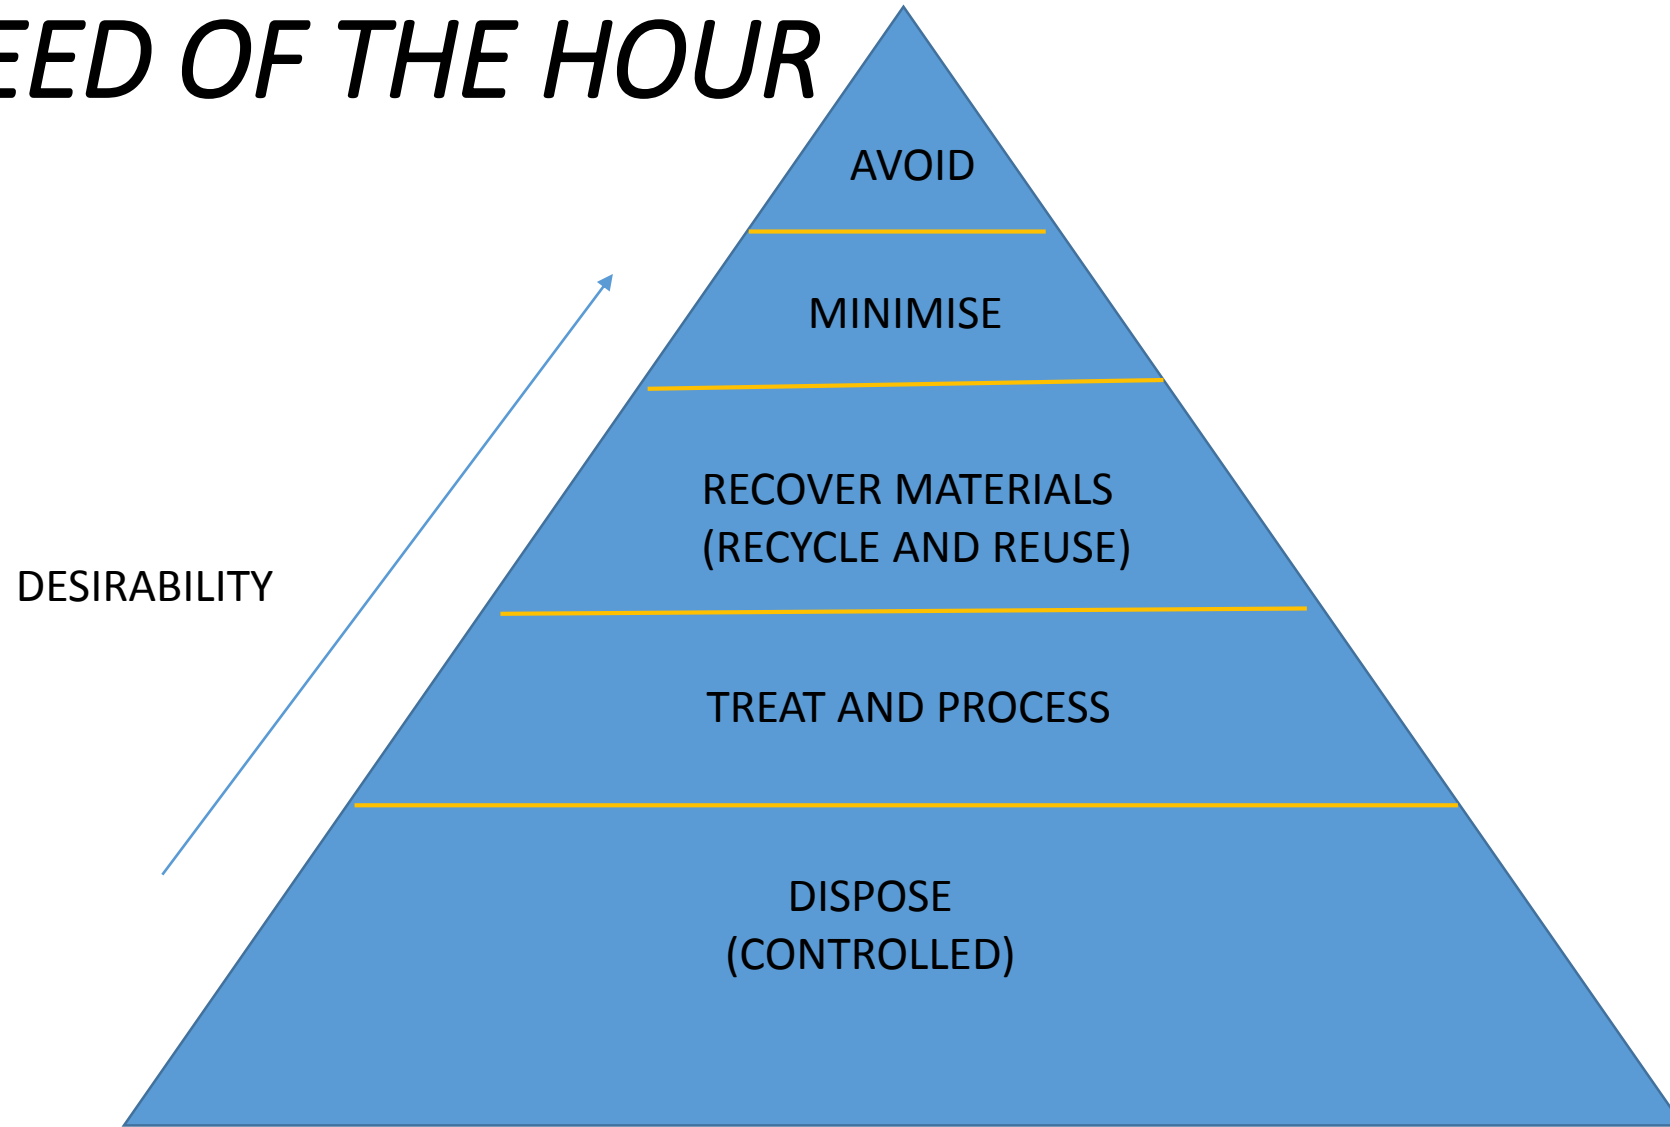

# LAND FILL(COMBINED INEFFICIENCY)

*NEED OF THE HOUR*

**Circular Green Economy  
Than  
Linear Production Process**

# *NEED OF THE HOUR*
