

Annexures: FLORA of Agastya Foundation Campus, Kuppam

Abutilon indicum

Adhatoda zeylanica

Acacia chundra

Acacia leucophloea

Acacia nilotica

Acalypha indica

Acanthospermum hispidum

Achyranthes aspera

Acrocarpus fraxinifolius

Acacia polycantha

Aegle marmelos

Aerva lanata

Ageratum conyzoides

Albizia lebbek

Albizzia amara

Alangium salvifolium

Albizzia odoratissima

Aloe vera

Alternanthera pungens

Alysicarpus longifolius

Amaranthus spinosus

Alternanthera sessilis

Amaranthus viridis

Andrographis paniculata

Alysicarpus vaginalis

Anisomeles indica

Annona squamosa

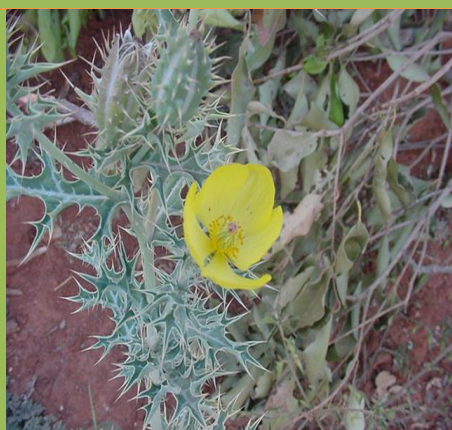

Anthocephalus chinensis

Aristolochia indica

Artocarpus heterophyllus

Argemone mexicana

Asclepias curassavica

Asparagus racemosus

Argyreia cuneata

Azadirachta indica

Bacopa monnieri

Balanites roxburghii

Bambusa arundinacea

Barleria buxifolia

Bidens pilosa

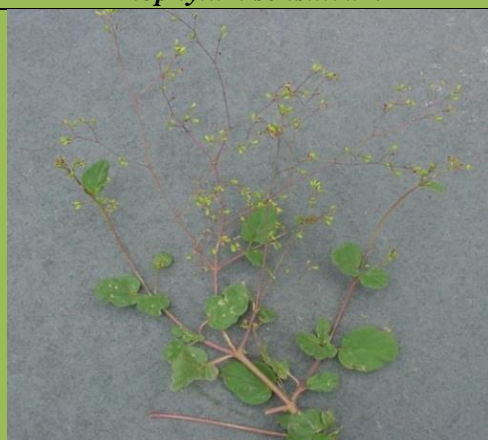

Biophytum sensitivum

Bixa orellana

Blepharis maderaspatensis

Boerhavia diffusa

Bombax ceiba

Borreria articulata

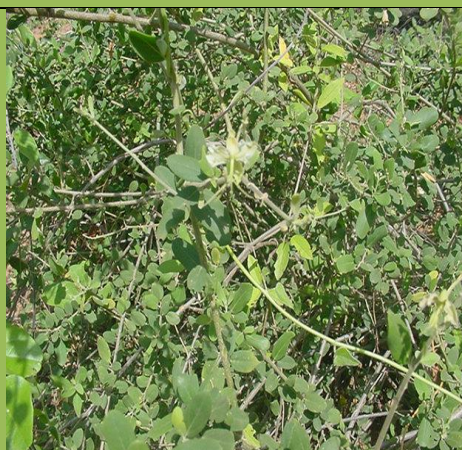

Boswellia serrata

Buchnanania lanzan

Butea monosperma

Cadaba fruticosa

Caesalpinia coriaria

Caesalpinia pulcherrima

Calophyllum inophyllum

Calotropis gigantia

Canscora diffusa

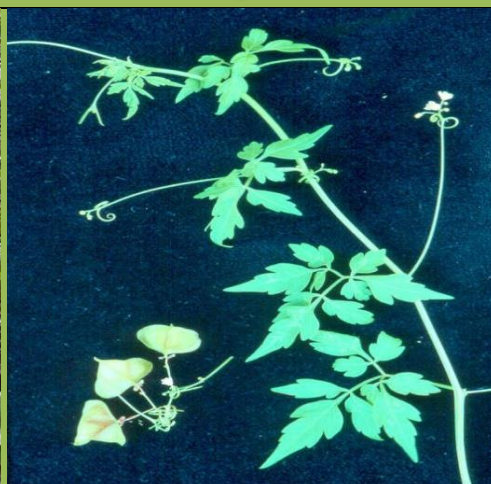

Canthium parviflorum

Capparis sepiaria

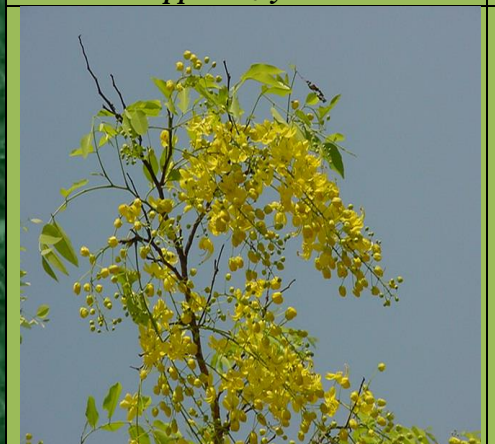

Capparis zeylanica

Cardiospermum halicacabum

Carissa spinarum

Cassia fistula

Cassia hirsuta

Cassia siamea

Cassia absus

Cassia auriculata

Cassia occidentalis

Cassia tora

Cassine glauca

Catharanthus roseus

Celastrus paniculatus

Chromolaena odorata

Cissampelos pariera

Clausena dentata

Cleome gynandra

Cleome viscosa

Clerodendrum inerme

Clerodendrum serratum

Corchorus fascicularis

Corchorus trilocularis

Crotalaria pallida

Crotalaria prostrata

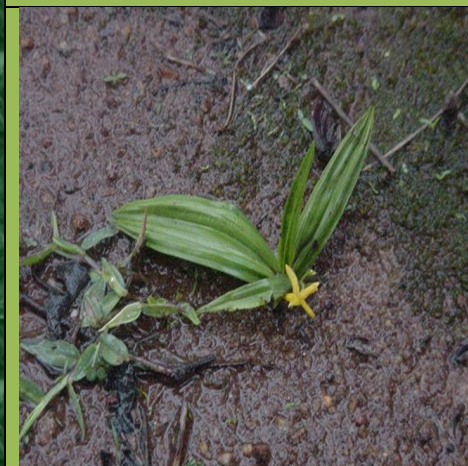

Croton bonplandianus

Cryptolepis buchanani

Cucumis melo

Curculigo orchyioides

Cymbopogon nardus

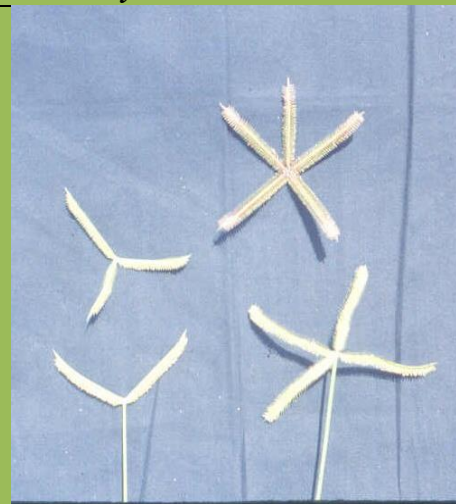

Cynanchum callialata

Cynodon dactylon

Cyperus rotundus

Dactyloctenium aegyptium

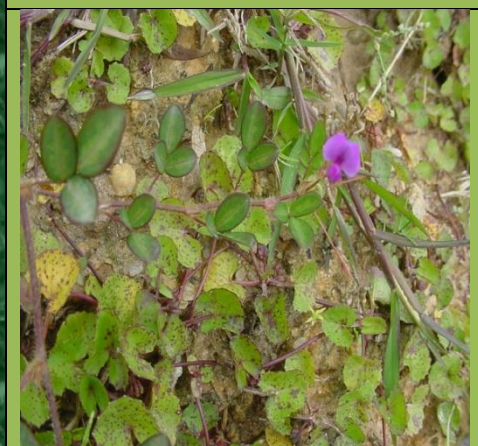

Dalbergia sissoo

Dalbergia latifolia

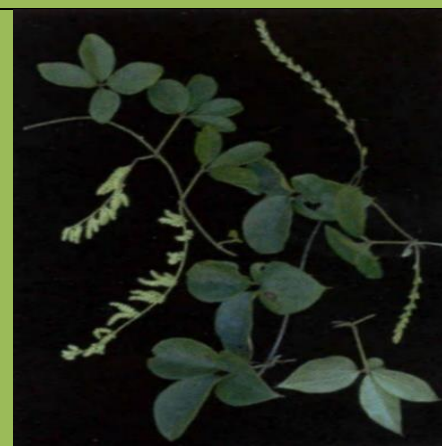

Delonix elata

Desmodium triflora

Dichrostachys cinerea

Dioscorea pentaphylla

Diospyros montana

Diplocyclos palmatus

Echinops echinatus

Emelia sonchifolia

Erythroxylon monogynum

Euphorbia heterophylla

Euphorbia thymifolia

Euphorbia hirta

Evolvulus alsinoides

Ficus racemosa

Ficus religiosa

Gloriosa superba
